

Privacy Policy Edlevo

For guardians.

Tietoevry is committed to protecting your privacy and personal data. This privacy statement “Privacy Statement” explains how Tieto Sweden AB and its authorized partners and affiliated Tieto group companies “Tietoevry” process personal data in connection with the Edlevo (Tieto Edu) service “Service”. The term “personal data”, as used in this Privacy Statement, refers to any information about you which can be used to personally identify you, such as your name, address, telephone number, e-mail address, social security number, your relationship with your child/children or any other personal information you might supply.

Tietoevry processes your personal data in accordance with the General Data Protection Regulation 2016/679 (the GDPR) and the national personal data legislation implementing the directive.

The Service gives you access to a mobile version of Tietoevry Education’s web services for guardians with children in preschool and school. We collect the following types of information: identifying information when you use the Service such as name, address, telephone number, e-mail address, social security number, your relationship with your child/children, any other personal information you might supply and nonpersonal information as your use of the Service.
