

Study plan (Upper secondary school), Student

You have the opportunity to view your study plan as a list or as a card view (only the card view is shown if you run the service via a mobile phone).

You also have the opportunity to print out your study plan. When printing, you also see a history of your placements.

Ongoing courses:

Here you see your ongoing courses.

Planned courses:

Here you can see your upcoming courses

Completed courses:

Here you see your completed courses. You also see your grade for the course.
